Our Mission

To improve the Nation's aviation safety record by conveying safety principles and practices through training, outreach, and education. At the same time, FAASTeam Managers and Program Managers will establish meaningful aviation industry alliances and encourage continual growth of a positive safety culture within the aviation community.

The FAASTeam logo connotes safety of flight and conveys the concept that the FAASTeam is part of the FAA, implying we are authoritative, and suggests we are approachable by the aviation community.
